

# TEAR OFF AND MAKE £10,000

If you play Shell Make Money, you could win up to £10,000.

All you have to do is drive into a Shell Service Station displaying the Make Money sign, and you'll be given an envelope containing the left or right hand half of a Make Money note.

Tear it open and you'll be able to see what the note is worth: it could be 50p, £1, £10, £100, £1,000, or even £10,000.

If you can match it up with its other half note, collected on another visit, we'll give you the money. It's as simple as that.

### OVER 1 MILLION PRIZES

Over one million prizes have got to be won. So tear off to a Shell station soon, you could make money.
